https://lekalee.github.io/ist263/lab02/lee-maeba-bio.html
https://lekalee.github.io/ist263/lab04/skills.html

3.   In your book on pages 301-302 are a list of font and text properties. Pick a property off this list that we did not use in either the lecture or lab. Explain how you could see this property being applied to something on either the bio, skills or contact pages to make the design better.

Font-stretch could be used to improve the placement and display of the heading.

4.   Hand it the peer copy document review with answers to these questions. Note that I have read all the copy documents, and everyone has something to improve. Don't say everything is great.
   a.   Who's copy document did you review? Kelechi
   b.   What typos are in your partner's copy document? didnt come across any.
   c.   What didn't they communicate clearly? Give me details here? I feel like he communicated the topic of the website early and gave insight on what his page was about.
   d.   Did the copy seem like it was too much/not enough? Explain. It seemed like the website would be short but informative.
   e.   Where could your partner use headings, bullet points, etc. to make the copy stand out more to users? When highlighting the tourist locations, bold fonts would be recommended tp grab attention.
   f.   Any other comments? N/a

We look forward to this all year. PDL pumpkin spice
is the best. Great fall flavor but you still get those
great coffee notes as well.
